Physics—June, 2005: 800

Mathematics Level 2—June, 2005: 780

Mathematics Level 1—October, 2005: 800

Work Experience

Dorignac's (Summer 2006)

Bagger— I mainly bagged groceries for customers but also occasionally had to restock items.

Hollister Clothing Co. (Winter 2006/2007)

Greeter—I spent most of my time there folding clothes that customers had unfolded and helping customers find what they needed.

Tulane University Bookstore (Summer 2008)

Textbooks—I worked in the textbook section of the bookstore where I spent most of my time unpacking boxes of books, labeling the used ones, and shelving them. I also helped customers find texts for their classes, and cleaned up at the end of the day.
